34TH ANNUAL UTAH PHYSICAL THERAPY ASSOCIATION CONFERENCE

OCTOBER 16-17, 2009

DAVIS CONFERENCE CENTER
LAYTON, UTAH

CURRENT CONCEPTS IN THE EVALUATION AND TREATMENT OF THE SHOULDER

EXPLOITING EXERCISE AND MOTOR CONTROL PHYSIOLOGY TO OPTIMIZE OUTCOMES

REGISTER NOW TO EARN 13
CONTINUING EDUCATION HOURS

ORTHO TRACK

Current Concepts in the Evaluation & Treatment of the Shoulder

Todd S. Ellenbecker, DPT, MS, SCS, OCS, CSCS

FRIDAY, OCTOBER 16TH, 2009

- 7:00 Registration & Continental Breakfast
- 8:00 Anatomy & Biomechanics
- 10:00 Vendor Exhibits & Break
- 10:30 Evaluation of the Shoulder
- 12:00 Lunch & Vendor Exhibits
- 12:30 Research Presentations
- 1:30 Shoulder Evaluation-Cont.
- 3:00 Vendor Exhibits & Break
- 3:30 Pathophysiology & Non-operative Rehab of RC Disorders
- 4:30 Vendor Exhibits & Break
- 4:45 Speaker: Elizabeth Dean, PhD, PT, University of British Columbia, Canada.
- 5:30 Adjourn

SATURDAY, OCTOBER 17TH, 2009

- 7:00 Registration & Continental Breakfast
- 8:00 Post Op RC Rehab. Acromioplasty. Role of the Scapula.
- 10:00 Vendor Exhibits & Break
- 10:30 Scapular Stabilization
- 12:00 Lunch & Business Meeting
Keynote Speaker: Scott Ward, PhD, National APTA President
- 1:30 GH Joint Instability: Classification & Rehabilitation
- 3:00 Break
- 3:15 Adhesive Capsulitis. Hemiarthroplasty.
- 4:30 Wrap Up & Adjourn

NEURO TRACK

Exploiting Exercise & Motor Control Physiology to Optimize Outcome

Lee Dibble, PT, PhD, ATC, Bo Forman, PT, PhD,
Ed Gappmaier, PT, PhD, Heather Hayes, DPT, NCS,
Robin Marcus, PT, PhD, OCS

FRIDAY OCTOBER 16TH, 2009

- 7:00 Registration & Continental Breakfast
- 8:00 Brains & Nerves: Neuroanatomic Basis of Stroke
- 10:30 Vendor Exhibits & Break
- 11:00 Neurologic Consequences of Impaired Glucose Management
- 12:00 Lunch & Vendor Exhibits
- 12:30 Research Presentations
- 1:30 Neurologic Consequences-Cont.
- 2:30 Vendor Exhibits & Break
- 3:00 Intensity Post CVA & Lab
- 4:30 Vendor Exhibits & Break
- 4:45 Speaker: Elizabeth Dean, PhD, PT, University of British Columbia, Canada.
- 5:30 Adjourn

SATURDAY, OCTOBER 17TH, 2009

- 7:00 Registration & Continental Breakfast
- 8:00 Brains & Nerves: Neuroanatomic Basis of MS & Diabetic Neuropathy. Aerobic Intensity in MS
- 10:30 Vendor Exhibits & Break
- 11:00 Demanding more of our Clients
- 12:00 Lunch & Business Meeting
Keynote Speaker: Scott Ward, PhD, National APTA President
- 1:30 Dosing Exercise
- 3:15 Break
- 3:30 Case Studies & Discussion
- 4:30 Wrap Up & Adjourn
